

# CHECKERS

++++

++++

# Executive Summary

## WHO

- Bored and lonely college students in need of socialization

## WHAT

- A fun and engaging online game to solve the lack of Concordia themed online games

## WHY

- Concordia is lacking in Cobber-themed entertainment

++++

# Background and Problem History

## Problem

- A Concordia online checkers game DOESN'T EXIST :(

## History

- No attempts have been made to solve this problem

# Solution

We will code a Cobber themed game to ditch boredom and challenge players intellectually. This will create a social environment for Concordia students.

# Project Deliverables

We will create a Cobber themed creative checkers game that reflects Cobber culture and provides fun and entertainment to all students.

We will be coding Java files and documenting progress on planning documents.
